**OUR MASONIC RESPONSIBILITIES**

"Ever since I became a Mason, when I was given the opportunity to speak to Masons in Lodges or Grand Lodges, I have tried to remind them of their duties and responsibilities and impress upon them the importance of living up to those duties and responsibilities which they have taken upon themselves voluntarily as Masons. Every man who comes into Masonry, comes of his own free will and accord. He is not invited to join the Fraternity. He must knock upon the door for admittance.

Our Masonic responsibilities can really be summed up in one word, "PRACTICE." We have the responsibility of living our Masonry before the world. Every Master Mason is charged with the practice of Masonic ideals and principles as taught in Masonry's degrees. Every Master Mason must realize the gravity of his responsibility as a Mason, and practice, in his everyday life, the principles taught at the Altar of our Lodges. In Masonry we say that it is un-Masonic to solicit members, and it is if you are speaking of asking someone to join the Fraternity. I submit, however, that we do solicit by the lives we live before the world. I submit also that to influence others to seek admission to our Fraternity by the lives we live is a far better way to get new members than by simply asking men to join."
